It's perfect for a special occasion event, a proper knees up in a unique but well equipped space.

{WHAT WE DO}

- A FUN RELAXED ENVIRONMENT

{WHAT WE DON'T DO}

THE VENUE

{THE EVENT SPACE}

Our main room, a highly spec'd and fully rennovated former belt factory in the city centre of Leeds.

We provide everything you need to run an unbeatable party, with your own bar, toilets, sound, lighting, visuals, staging, seating, tables and other top spec party facilities.

{THE YARDEN}

'The Yarden' our outdoor terrace comes as standard with all party bookings. It can simply be used as a smoking area or has a whole range of possibilities for providing alfresco space for your party.

Equipped with outdoor heaters, festoon lighting, power points, retractable rain covers (not full cover), raised DJ booth, benches, planters and serving hatch.

It's the perfect spot for outdoor food, an extra bar, entertainment - or simply somewhere for kids big or small to let off steam.

HOW IT WORKS

{HOW IT WORKS}

For standard private parties we don't charge a hire fee, we operate a deposit vs bar spend model.

£500 deposit (inc VAT)

vs

£2500 bar spend (inc VAT)

If your party spends over £2500 at the bar then your deposit is returned in full. If the spend doesn't hit the target we retain the full deposit to help cover venue hire, staffing, and running cost. You cannot offset an underspend against a deposit.

The deposit sets you up with everything you need to throw a great party. We have a range of optional extras if you want to really pop a cherry on top of your event.

As standard private parties have access to the Event Space and The Yarden from 6pm - 1am.

{GUEST NUMBERS}

Our event space is quite a big space.
For private parties max capacity is 250 people

Our space is most suitable for guest numbers
between

100-250

Guest numbers under 100 are possible but
would likely struggle to hit the bar target.
If you are considering this as an option the
deposit should be thought of like a hire fee.

The capacity for your particular event will
depend entirely on the specific layout of the
room, staging, seating, food options, etc.

We recommend the best
way to use the space is with a mixture of
casual seating and a dance floor area.

Our main toilets do not have an accessible cubicle, however we have a fully accessible toilet in our adjoining workspace just a short distance away.

We have no lowered bars however our friendly bar staff are always on hand to help.

A hearing loop is in place in our event space.
