Sheaf St is a completely CASHLESS venue. We only accept card payments at all bars. This is standard practice at Sheaf St – it helps keep the venue and staff safe and speeds up the bars. For a full statement please [click here](#)

{ACCESSIBILITY}

Sheaf St is a heritage building but we have made efforts to be an accessible venue within those constraints. We also always try to accommodate any specific needs.

There is a single step at our main entrance which we have a portable ramp for. Once in the building, everything is level. There are additional step free routes into the building.

Our main toilets do not have an accessible cubicle, however we have a fully accessible toilet in our adjoining workspace just a short distance away.

We have no lowered bars however our friendly bar staff are always on hand to help.

A hearing loop is in place in our event space.
